To The Secretary to the Government of Madras,
Local Self Government Department.

Sir,

In continuation Adverting to Government Memorandum No. 44247-1E1-P.W., dated the 13th November 1934, I have the honour to state that provision was made in the current year's budget estimate of the District Board for the employment of a woman vaccinator on a pay of Rs 30/- plus Rs 13-4-0 being fixed travelling allowance and this was pointed out to the District Board in an office note on the District Health officer's letter read in the agenda to resolution No. /// at its meeting held on 20th September 1934. The Board while realising the necessity for the

P.T.O.

creation of the post would not accept the additional liability involved by the adoption of the scale proposed by the District Health officer. A fixed pay of Rs 30/- with the addition of ~~the~~ fixed Travelling allowance Rs 13-4-0 per mensem as proposed by the District Health officer in his previous letter Ref. 323/34 dated 21-4-1934 and subsequent letter Ref.C.No. 2004/34 dated 10-10-1934 was adopted by the Board. The apparent discrepancy pointed out by Government crept in owing to the omission of a reference to the office note in the minute book in the agenda to the District Board resolution No. 111 passed by the Board at its meeting held on the 20th September 1934 In these circumstances, I request that Government will be pleased to sanction the post on the fixed pay for the current year.

2. The sanction of Government was not applied for with regard to the fixed Travelling allowa as it is within the competence of the Board to allow the usual fixed travelling allowance to the vaccinator on the sanction of the post by Government.

I have the honour to be,

Sir,

Your most obedient servant,

President.
